G. MAVERICK MASTRANDREA

Raleigh, NC 27606 - (919) 825-6168 - gmmastra@gmail.com
PORTFOLIO: gmmastra.github.io

EXPERIENCE

Web Developer *September 2022 - January 2023*
Philanthropy4 | HTML, CSS, JavaScript

- Maintained **CMS** site **frontend and backend**, promoting professional development programs
- Iteratively refined website's visual design and **cross-browser compatibility** using **CSS media queries**
- Updated **JavaScript** backend to enhance project performance and scalability
- Implemented **SEO** best practices to enhance website visibility and improve search engine rankings

Web Designer/Developer *June 2021 - August 2022*
Food Systems Leadership Institute | HTML, CSS, PHP, Figma

- Facilitated weekly meetings with the program specialist to align feature requirements and **UI/UX** design
- Designed frontend in Figma, refining elements according to stakeholder feedback and brand standards
- Integrated **responsive UI** using **HTML** and **PHP** to improve **UX** and **accessibility** across devices

SAS Project Manager *December 2021 - May 2022*
NCSU Senior Design Project

- Led a 5 person team, creating detailed project roadmaps and task timelines
- Coordinated with stakeholders to define project scope, goals, and deliverables
- Built endpoints to handle data processing and managed team information databases
- Conducted manual regression testing, verifying core workflows and documenting defects
- Created and maintained technical documentation and usage guides

UX/UI Tester *August 2021 - December 2021*
HCI EnviroAtlas Project | Figma, Canva

- Developed **user workflows** and conducted **usability testing** to identify functional gaps and UI flaws across web application
- Evaluated user behavior and identified friction areas via testing sessions, implementing workflow enhancements that reduced task completion time by an average of 20%
- Presented findings to stakeholders and collaborated to ensure quality and usability standards

Founder & Lead Illustrator *March 2023 - Present*
Studio Maverick

- Lead an illustration studio delivering commissioned artwork for businesses, publishers, and individuals
- Oversee client projects end-to-end, coordinating requirements, revisions, and delivery to meet quality expectations and deadlines
- Manage project timelines, contracts, invoicing, and client communications
- Produce and publish original designs used in branding, promotional campaigns, and digital media
